(U) District of Columbia – US Arrests Airman in Connection with Attack in Syria

(U) Washington – A member of the US Air Force has been taken into custody in connection with an April attack in Syria that wounded four fellow service members, the Air Force said on Tuesday. The US military initially blamed the attack in Green Village in eastern Syria on indirect fire, possibly a rocket strike. It later said further investigation showed the blasts were the result of “deliberate placement of explosive charges” at an ammunition holding area and shower facility, and officials said they were looking into the possibility of an insider attack.

(U) Oregon – Five Arrested, 16,000-Pounds of Marijuana Seized During Drug Bust in Jefferson County

(U) Madras – Deputies busted a huge drug operation in Central Oregon last week believed to be run by a Chinese cartel. The Jefferson County Sheriff's Office said it worked alongside local and federal partners to serve several arrest warrants in Madras and Culver on 14 June. Nearly two dozen sites were growing marijuana illegally and housing more than a dozen Chinese citizens who had been trafficked into the US. Detectives said money from the marijuana sales was then being funneled through several Chinese restaurants around Oregon and sent back to China.

(U) Israel – Cyber-Attack Suspected Behind False Rocket Siren Alerts in Jerusalem

(U) Jerusalem – Security officials suspect that rocket sirens heard in Jerusalem and Eilat on Sunday were the result of a cyber-attack. The Israel National Cyber Directorate (INCD) believes hackers may have been behind the incident since the sirens activated were civilian rather than part of the Home Front Command network, according to a statement issued Monday by the Israel Defense Forces (IDF). The Cyber Directorate is examining whether Iranian hackers were behind the alleged attack, according to unsourced reports in Hebrew-language media.
